Borrowing items through the MelCat State wide database will be granted to Charlevoix Public Library (8606) cardholders only.

Interlibrary loan is defined as placing a request for an item that is not owned within the Library’s consortia-wide database or in MelCat, the state-wide database. The Library offers the specialized service of interlibrary loan to Charlevoix Public Library (8606) cardholders who are in good standing. Good standing is defined as the patron having no overdue items, no more than $10.00 in accrued fines, and having been a registered patron for at least three months.

Any fees associated with borrowing the item from the lending library will be the responsibility of the patron. If an interlibrary loan is damaged, lost or returned late, the borrowing patron will be held responsible for all fees charged by the owning library, in addition to any Charlevoix Public Library late fees accrued.
