Solicitation Policy:

Petitioning, Solicitation, Distribution of Literature
The library does not allow petitioning, solicitation, distribution of literature or leaflets, canvassing or similar types of appeals inside the library. Failure to comply will result in suspension of library privileges.

Groups or individuals who wish to petition, solicit, canvass or distribute literature to the public outside of the facility may do so, as long as they do not impede access by the public to the facility or parking lot or interfere with the use of the facility in any way.

Displaying fundraising activities for the schools within the Charlevoix Public Library district is at the discretion of the library director.

Display Policy:

The Charlevoix Public Library uses its bulletin boards, display cases, and pamphlet racks to promote Library and Friends of the Library programs, events, and services. The library reserves the tackable surface and pamphlet racks in the vending area as well as the tackable surface across from the circulation desk for public information. These areas may be used to inform the public of events and programs outside of the library that may be of interest to the community. This privilege is open to all groups, regardless of religious or social ideology. If space is limited, priority will be given to not for profit or civic groups located within the library's district. No postings or displays of a partisan political nature will be placed on the bulletin boards.

Library and library affiliated programs have first priority for display and bulletin board space. The library reserves the right to reschedule, move, or remove items to better fit their program needs. The library does not endorse any materials distributed or posted by other organizations.

Display Case
The Charlevoix Public Library welcomes the opportunity to allow community groups, organizations, or individuals to use the locked display case. Space is provided in the case for displays of an artistic, educational, cultural, civic or recreational nature.

Library has priority use of the display case. Display case is rotated on a first come, first serve basis. Application for the locked display cases must be made through the staff at the information services desk. Library staff will make the final decision on the length and content of the exhibit. The exhibitor is responsible for setting up and taking down the display in a timely manner, as defined by the library staff. Glass shelves may not be adjusted or removed.

A “credit line,” (a small sign stating the sponsorship of the display) may be included in the display. The library is not responsible for any items owned by the exhibitor.
**Bulletin Boards**
The tackable surface in the vending area and across from the circulation desk is available for community information. Any person or organization wishing to display information must give the exact item to staff beforehand. Items will not be returned. The final approval or denial for the request rests with the library director. Any item(s) posted without prior approval will be immediately removed and discarded.

Date sensitive material will be posted no sooner than one week prior to the earliest date on the poster and removed on the last date applicable. Sensitive material that is not dated will be posted for no more than one week. Preferred poster size is 8 ½ x 14 inches or smaller and may not exceed 11 x 17 inches. Notices will only be placed in one spot in the library.

No individual or business literature may be displayed, including but not limited to babysitting or daycare services, job offers or requests, or personal services. Any material that includes profanity, harassment, discrimination, or the disrespect of any person, group of people or organization is strictly prohibited.

**Pamphlets**
The Charlevoix Public Library has limited space to provide groups an area to leave pamphlets. The library reserves the right to decide appropriate placement for such pamphlets. Brochures may not be larger than 5 x 8 ½ inches.

**Artists Display**
